59.                <p> Welcome to British Castles. Your first question may very well
    be "What is a Castle?" Well a castle is defined as a fortified structure built
    in and around the Middle Ages.↵
60.                    They were often built by people of nobility or royalty and by
    militaries alike. These Magnificent structures played as homes to Kings,
    Queens and Nobility,↵
61.                    The designs of these overwhelming castles play a large part
    in the shaping of Britain and the places surrounding them, as they were
    designed to impose strength↵
62.                    and authority over their dominion and served as a key to any
    rulers power. ↵
63.                </p>↵
64.                <br>↵
65.                <p>These fortresses also served sometimes more sinister roles, for
    tyrants to hold a vice like grip over the kingdom. Often they were prisons to
    their enemies and were often ↵
66.                    places of unspeakable torture. These castles are hundreds of
    years old and the were build to last, and for the most part most are still
    standing till this very day. We will delve↵
67.                    into the size and age of these castles and the roles they
    played in the relms of the time.↵
